The technical details...

What our package includes

Although the package we offer can be tailored to your requirements, we like to give you an idea of what is normally included:

- Your website name (domain name) e.g. <http://www.holidayhome.co.uk>
- 2 email accounts (one for general information, and one for bookings)
- A professional website, with lots of photos of your house
- A comprehensive list of all your facilities
- Online booking request form (that is automatically emailed to you)
- Information about the surrounding area, tourist attractions & activities
- Maps and directions on how to find your house
- Listing on the Northern Ireland Tourist Board website⁺
- Contact Details & Downloadable House Information Pack
- Price Guide for weekend, mid-week and full week lets
- On-site visit to discuss your requirements & obtain details

For more information, simply contact us or visit our website.

⁺ This is only possible if your house is already an NITB Rated Property

Relax in the knowledge that your holiday home website is in professional and experienced hands..

How can we maintain such low prices?

We believe in value for money, and understand how important it is to ensure that costs don't spiral out of control.

We have developed a unique and more personal approach to our website development that saves you money.

We aim to completely design and deliver a completed site within 4 weeks of our first meeting.
